NEIGHBORS HELPING NEIGHBORS. . .

is intended to serve anyone who does not readily have the support of family members or friends close by, those who perhaps are not feeling as young anymore, suffering from an illness, injury or disaster, or who may not have the necessary experience. We operate entirely through the volunteer efforts of those who provide the services (volunteer neighbors). In some cases funds may be available from financial donations or special funding sources for materials needed to complete a task. We welcome and gladly accept any donations received from family members of those we serve in order to help other neighbors in need who may not have this ability..

Mission Statement: *“As a Fellowship of Believers, we are united in Christ by God, sharing the Good News of Jesus Christ, serving all people, and caring for God’s creation.”*

If you need help or know someone who would benefit from our volunteer service, please contact URLC at (507) 732-7303. A Coordinator will listen to your need, assess the situation and coordinate the appropriate assistance as any good neighbor would do.
