I am interested in signing up for online giving

Your annual pledge helps us forecast, with confidence, the level of financial support our congregation will receive in the year ahead.* It is through the pledges and contributions of our members that we are able to carry on our work here at United Redeemer Lutheran Church.

As you consider your pledge, we remind you that we offer Electronic Giving as a way to automate your offerings. It is convenient for you and provides much-needed consistency for the church. Collection basket offerings can fluctuate significantly from week to week but when contributions are automated, the church receives funds on a steady, uninterrupted basis.

Please visit the church website at www.urlchurch.org and click on “Giving” (*or use your phone to scan the QR code below*) to set up how you want to make contributions. Or if you wish, you may also complete a paper authorization form and return it to the church office.

*Please fill out the front of this pledge card even if you are currently set up to give online, otherwise your electronic giving is not registered as a pledge. If you want to make any changes, a signature on the card is all that is needed to authorize the change.
